Scripture Reflection

How are your Lenten resolutions? By the time week two rolls around, plenty of well-meaning people have skipped, neglected, or outright forgotten their Lenten resolutions at least once. It can be easy to start excusing our Lenten commitments altogether.

Last week we saw Jesus driven into the desert. This Sunday, we see Jesus leading his disciples to an equally barren place: he "led them up a high mountain apart by themselves." But what happens there? "And he was transfigured before them and his clothes became dazzling white." Today's Gospel reminds us of the goal. We don't enter into the desert for the sake of suffering, but for the sake of transformation.

Mountain imagery is prevalent throughout Scripture. The sacrifice of Isaac, Moses receiving the 10 Commandments, Elijah's revelation of God as a tiny whispering sound: all these occur on the mountaintop. Mountains are strenuous to hike. To assist the traveler in the ascent, trails often involve switchbacks. These lead the traveler back and forth across the mountainside, sometimes appearing as if hardly any ground is gained. Perhaps Peter, James, and John hiked a similar path as Jesus led them up the side of Mount Tabor.

A climb is difficult. A climb in a barren place leaves you thirsty, exhausted, and quite possibly frustrated or discouraged. Yet this is precisely how Jesus leads his closest disciples. Why? Because he has something to reveal to them. Practically speaking, Jesus needed to bring Peter, James and John away from the crowds for this revelation of glory to remain hidden. There are spiritual truths we will encounter only if we pass through difficulty. So let's persevere this Lent! Today's Gospel invites us to trust that, if we persevere in following Jesus, he'll lead us to something beautiful and glorious as well.

Prayer: Throughout Scripture, Jesus goes to pray in a deserted place. Lent is our "deserted place." We draw near to God through Mass, confession, and spiritual practices like the Stations of the Cross, but we are also invited to spend time in prayer alone with the Father like Jesus did.

Fasting: Fasting is not a diet! With a diet, we try to achieve a physical goal in this world. In fasting, we try to achieve a spiritual goal in the next. Fasting helps us to sacrifice our preferences and less-than-healthy impulses to build discipline to choose the good in all areas of life.

Almsgiving: Time and time again, the Bible tells us that to love God we must love others. Our "neighbor" is someone we might not expect. Giving alms is an opportunity to support and care for our neighbor in need.

2018 PARISH SHARE PROGRAM

The Parish Share Program (PSP) is vital in continuing the work of the Church throughout the Diocese of Pittsburgh; and our parishioners' support of PSP is vital to the present and future health of St. Joan of Arc church. I realize that the *On Mission for the Church Alive* planning process has many parishioners concerned about the future. Please let me remind you that the proposed vision which we are working toward is to keep St. Joan of Arc church open for future generations, as part of a larger parish. Maintaining our parish now through your continued good stewardship. Please take a moment to consider your pledge, complete the pledge card, and return both the "Parish" and "Diocese" copies to the Parish Office. Help us work toward our goal of \$89,963.00—every gift is important, both small and great. When we meet our goal, every additional dollar pledged and received stays in our parish. I thank all of you for your careful and generous stewardship in sharing of your time, talent and treasure toward carrying out the mission of the Church right here at St. Joan's and throughout our region.

(Please return pledges by Sunday March 4.)
